
Comments from JLA members Petitioning to Dissolve the Board as of 2021 Sep 23

As current members we wanted to make sure to register a vote that we agree with the petition to dissolve the board. Many Thanks

Can you please add Xxxxx and Yyyyy, to the petition to dissolve and renominate all JLA board members. Let's start fresh and see if we can get a functional JLA group again. At least it would improve the trust in the board which is currently non existent. regards Sep 17, 2021, 11:02 AM yes, Xxxxx and Yyyyy paid members

Dissolve the Board Hi I believe I am a member in good standing. I would like to see a special meeting to dissolve the Board and start over. I have been on this lake for over 50 years. The last five years with the leadership of the association has been just awful.

Dissolve the board! I've never seen anything like this. I can't judge who is right or wrong. Just get rid of everyone and start fresh. But please keep David Lean. We need to listen to the scientists!

Given there appears to be irreconcilable dissension on the JLA board, YES I wish to Petition to call a Special Meeting to dissolve the Board and elect new Directors.

Good evening, Yes, I petition JLA to call a Special Meeting to dissolve the Board and elect new Directors. Look forward to receiving an update. Take care,

Governance matters; and we can see that there is a movement to try implementing proper board processes and procedures, which if done will renew our faith in the JLA. Yes, I petition JLA to call a Special Meeting to dissolve the Board and elect new Directors. At this point unless something changes we will be foregoing our membership

Hello JLA, Thank you for today's email. We tried to link to reply but were unable to. We agree with the option to have a special meeting to dismantle the current board and to elect a new board of directors. We've been active members of the JLA since 1973 and we are dismayed to see the turmoil at the board level over the last few years. Time for a fresh start and new beginnings! Thank you... I am unable to link. Xxxx and I agree with dismantling the old board and bringing in new directors. Please confirm that you have received this.

Hello, I support the call for a special meeting to elect a new board.

Hello, I would like to add my name to the petition to have a special meeting to dissolve the board and elect new

Hello, My name is Xxxxx and I represent our Family's cottage in Zzzzz Bay. Yes, I petition the JLA to call a Special Meeting to dissolve the Board and Elect new directors. Thank you and good luck to all of us.

Hi JLA, I am an owner on Jack Lake and a member of the JLA. I agree with the petition to call a special meeting to dissolve the current board and start fresh. Thank you,

I support the petition to dissolve the board. Thanks

I, a fully paid dues JLA member- am writing to petition JLA to call a Special Meeting to dissolve the Board and elect new Directors. I am calling for immediate action as the history of the fractious behaviours of the JLA Board is well documented publicly and through emails over the past two years. Further I believe that the JLA Board and its directors have been in serious breach of its own bylaws and constitution for some time, and for that reason alone it needs to be dissolved. Thank you Fully Paid dues JLA member

I'm supportive of the suggestion to dissolve the JLA board and elect all new members. Time for a fresh start.

On behalf of the Xxxxx family JLA membership, we vote to In favour of the petition to remove all current board

Perfect thank you. Hopefully we can find a way to have a board that can play nicely together keeping in mind this is supposed to be about the good of our beautiful lake.

Petition As a long time cottager at Jack's Lake, previous board member and a past-president I've been so disheartened to read about the behaviours/behind the scenes activities over the past several months. I was very pleased to read your recent post about the petition and feel hopeful about the future of this important committee and our Jack's Lake community -thank you. Sep 20, 2021, 4:29 PM Yes-please go ahead and add me

Petition Yes, I petition JLA to call a Special Meeting to dissolve the Board and elect new Directors.

PETITION Yes, I petition JLA to call a Special Meeting to dissolve the Board and elect new Directors. Xxxxx JLA

Please dissolve the board of directors and lets elect a new board... None of the old board members that caused this problem should be allowed to serve again given the circumstances. We should have a policy that board members can only serve for two or three terms max

Sounds like a new board is required. I agree with calling a special meeting.

To whom it may concern, We wish to petition to call a Special Meeting to dissolve the Board and elect new Directors. Signed, Xxxxx JLA Member

Vote from Xxxxx Yes I would like to say "yes" and join the petition for dissolution of the JLA Board.

We would like a new voted board as the current board appears to be a bit dysfunctional and although we appreciate all the work done by previous members.... Xxxxx and I feel a new set of Directors with a new board is needed to push forward Jack Lake concerns and environmental issues. Thank you Sep 15, 2021, 4:30 PM: Yes

Well We're not very political. We have only been on the lake for a year now so this is our first experience with the JLA.... Not a very good one! We just want to enjoy the lake and trust that it is being taken care of by people who know what they are doing. It does seem like a whole new start needs to be made however.

Yes, I petition JLA to call a Special Meeting to dissolve the Board and elect new Directors. Also, I would like to say I found the conflicting messages very confusing and sent the following message as I thought it came from the actual JLA: To the JLA: Thank you!!!! I know and appreciate how difficult it is to "stay calm and carry on" when there is so much negativity out there (it is why I do not look at any of the Facebook sites). I truly do appreciate all the hard work and sacrifices that the board has continued to make to ensure Jack Lake continues to be a great place. I think there has been a massive change in attitude and perspective of cottagers in the past few years - maybe FOCA has some more information on this trend. It seems to me like cottage owners today own their cottages for shorter term, it's no longer an investment for future generations. It seems to me that the focus is on entertaining (and trying to impress) and recreating a city home with all conveniences rather than a comfortable place to enjoy nature (and of course some socializing and water sports as well). Essentially, they only appear to care about immediate and do not care about the long term health and vitality of the lake environment because they have no sentimental investment in the lake. I recognize that the board members are giving up their time away from enjoying the lake and therefore have a suggestion to help bring the lake together and bring peace back to the lake. It might be time for the board to consider focusing on doing the great things the board is so well known for - buoys and markers, maps, history book, Smoke Signals, regatta, film festival, environmental monitoring (Loon Watch, Turtle Tally, Lake Partner Program, etc.) and to share information

Yes, please add my name to the list of members who wish to have a special meeting to dissolve the current board. I'm in favour of starting fresh with a new board and a fresh beginning for the Association. Would like to see representatives per bay, a youth board, and increase membership of trailer residents and cottage renters.

Yes, I petition JLA to call a Special Meeting to dissolve the Board and elect new Directors. Sep 15, 2021, 10:00 AM: Thank you.....appreciate. All of this 'strife' makes one wonder...to use the street vernacular.....WTF can be going on in the minds of some? The lake should be a uniting concept not a dividing one....almost as if like the election it has become a battleground....Cons vs the Libs....or Dems vs Repubs. Once emotions kick in....all reason kicks out? Let's hope that intelligence and common sense prevail. Good luck with this.
